Advent Moments – Preparing for Christmas

Pastor Ken and Marcella Nelson (19245A McAllister) invite you to their home on Mondays in December from 4-5 PM (two more dates: 16th & 23rd) for light refreshments and a time for Bible reading, candle lighting, prayer and reflection upon the season of Advent.

Space is limited so please email or phone Marcella Nelson in advance at nelskog@juno.com or 701-833-5157. Each week will have a different topic. Participants are invited to come to as many as they wish.

Christmas Caroling In Pheasant Run

Love to sing? We have a small group of residents who would like to go Caroling around the Pheasant Run neighborhood. We currently have 5 people (guys and gals) and tentatively plan to stroll around in festive attire during the late afternoon or early evening on Monday the 23rd. Another possible date for Caroling (or at least a practice run) would be Sunday the 22nd.

Singing skills of any proficiency level are welcome. Vocal talent is not required – just a desire to have fun! Contact social@pheasant-run.com to join our seasonal choir. The more, the merrier.

2nd Book Club Forming

Three ladies have expressed interest in forming another book club within Pheasant Run. A group of 4-6 members would be ideal. If you are interested in joining a monthly book club (or a 2nd book club for those already participating), please let us know! We would like to get the 2nd group up and running soon after the holiday season. Contact social@pheasant-run.com for details.

Take a Trip to our Website

The construction signs are down, the barrels removed and although there's still work to be done, the website we've told you about is now ready for you to explore at www.pheasant-run.com. Of course, it will never really be finished, and nor should it be if it is to fulfill its objective of being an informative and dynamic resource for all Pheasant Run residents.

If you like it please let us know. If there are things you'd like to see that haven't been included or that need expanding, please let us know that too. So far it's been a fun project for our small committee but we'd welcome resident contributions of articles of interests, useful tips for our neighbors, and photos that showcase our beautiful community. Please send your comments, suggestions or offers of help, to our [Contact Us](#) page.
