Social Events & Activities

2nd Book Club

The second Pheasant Run Book Club is underway! Thank you to Carol Miner for setting up the initial meeting with 4 new members and for her guidance about how to get started. If you are interested in joining this group, please contact social@pheasant-run.com. The date/time/place for the first gathering is currently being planned.

New Lunch Group

The Social Committee has set a date for another Pheasant Run lunch group. There are already 3 groups in our community that meet on a regular basis, so this will be our 4th! Social Committee members Kathleen Spyhalski and Anne Astley invite you to join us on **Thursday, February 27th at 11:30pm at Carrabba's Italian Grill** on Bluemound in Brookfield. Seating is limited, so please contact social@pheasant-run.com to RSVP.

Social Committee Open Meeting

Pheasant Run residents who are interested in helping the Social Committee are welcome to attend our next meeting at the **Brookfield Public Library on Monday, March 3rd at 10am**. We will discuss our general plan for 2025 activities/events and provide examples of tasks where help is needed. Plus, we would love to hear your thoughts and ideas! Contact social@pheasant-run.com for more information and/or to RSVP for the meeting.

Our Community Website

The Website Committee is looking for suggestions from our Pheasant Run community about **area restaurants** that we can post on our website (www.pheasant-run.com). If you love to eat out and would be interested in helping us create content for our "Restaurants" page, please let us know! We are looking for volunteers who are either familiar with, or could do a little research into, local eateries that offer such things as Happy Hour specials, vegetarian or organic options, senior discounts, easy accommodation for our lunch groups, etc.

With Lent right around the corner, we thought it would be a great time to compile a list of nearby places that offer a delicious **Fish Fry** menu. Please let us know where you've been and what you recommend! We encourage you to submit your favorite food places, or any additional comments and suggestions about our Pheasant Run community website as a whole, via our [Contact Us page](#).

Resident Recommendation

LIRWC

One of our Pheasant Run members asked us to share information about a non-profit volunteer organization in the area. Learning in Retirement of Waukesha County Inc. (LIRWC) is dedicated to supporting adults in life-long learning opportunities through course offerings and trips to local and regional venues. Classes are held at various locations in the area. For more information, contact Dave Arnott (darnott@wi.rr.com) or visit www.lirwc.org for registration. Spring courses begin in early March.

Important Homeowner Reminders

The next Board meeting will be held on Wednesday, February 26th at 2pm via Zoom. A link to join will be emailed to residents from Hunt Management a few days prior to the meeting.

Sump Pump Inspections

For those Pheasant Run homeowners with sump pumps, a technician from Hunt Management will be on site later this month to perform an inspection on the sump pump in the basement of your condo unit. You should have received an email notice from Hunt with the specific date and time if this applies to you. For questions regarding sump pumps, contact thandel@huntmanagement.com.
